PRODUCT DATA SHEET

Manufacturer's name:

Ceramica DEL CONCA SPA

Product:

Porcelain tile Bla - Dry pressed ceramic tiles with water absorption $\leq 0,5\%$

Recycled Content

Pre-consumer recycled content	Up to 10 % by weight in product final assembly
--------------------------------------	--

Region and sourcing

Biobased materials	0% by weight in product final assembly		
Rapidly renewable materials	0% by weight in product final assembly		
Final manufacturing site	Ceramica DEL CONCA Spa,		
	Via Croce 8, San Clemente (RN)	Zip Code	47832
Raw material extraction site	Germany Clay	25% by weight in product final assembly	
	Turkish Clay	25% by weight in product final assembly	
	Turkish Feldspar	30% by weight in product final assembly	
	Italian Feldspar	10% by weight in product final assembly	
	Italian Sand	10% by weight in product final assembly	
Type of transportation	Road, Rail and Boat		

Environmental Impacts

Life cycle assessment	In progress	No
	Completed	No
	Third-party certification	≥ 50 years

Product Performance

Solar reflectance (3y aged value)	Medium value 40 SR
R-Value (thermal resistance measure)	NDP
Expected service life	≥ 50 years (Annex G, UNI EN 14411:2016)

Low-emitting materials

VOC content (g/l)	0 g/l Voc content.
